ATTENTION: All Submitters

Request for Qualifications
SR 99 Bored Tunnel Design-Build Project

Addendum No. 5

The **Request for Qualifications** for this project is amended as follows:

1. On page 14, Section 6.4, **SOQ SUBMITTAL QUANTITIES**, the first paragraph is replaced with the following:

“Each Submitter must provide WSDOT with:

- **One (1) original unbound SOQ** bearing original signatures;
- **Fifteen (15) bound hard copies** of the SOQ.

The original SOQ and each copy shall include **One (1) searchable electronic copy of the SOQ in PDF (Adobe Acrobat version 8) format on a CD** (16 CDs total) with the sections and subsections bookmarked.”

2. On page 16, Section 7.2, **SOQ SECTION 2: PERFORMANCE HISTORY**, the third paragraph, as modified by Addendum 1, is supplemented with the following:

“Furthermore, at least one reference project for at least one Major Participant must include a tunnel in soft ground using a pressurized face TBM with a tunnel diameter of 30-feet or larger. The requirements of this paragraph will be reviewed on a pass/fail basis.”

3. On page 22, Section 8.1, **EVALUATION OF THE SOQ**, the first paragraph is revised to read:

“SOQs will initially be evaluated and deemed to have either demonstrated or not demonstrated that the Submitter has met the minimum requirements required by this RFQ and by law.”

4. On page 23, Section 8.1, **EVALUATION OF THE SOQ**, the second sentence of the second paragraph is revised as follows:

“If a Submitter receives a “Fail” on any single pass/fail requirement, the SOQ may be rated as unacceptable, the ranked evaluation factors may not be scored, and the Submitter may not be included on the shortlist.”

5. On page 24, Section 8.2.1, is supplemented with the following:

“SOQ SECTION 2: PERFORMANCE HISTORY (PASS/FAIL)

- At least one, and not more than three, reference projects shall be provided for each Major Participant. Furthermore, at least one reference project for at least one Major Participant must include a tunnel in soft ground using a pressurized face TBM with a tunnel diameter of 30-feet or larger.”

6. On page 26, Section 8.4.3, **SOQ SECTION 4: KEY PERSONNEL (500 POINTS TOTAL)**, the first paragraph is supplemented with the following:

“Failure to meet the mandatory experience and qualification requirements set forth in Section 7.4 for any designated Key Personnel position will result in a score of zero for that position.”

Submitters shall complete and include Form A in Appendix A of the SOQ as evidence of receipt of this Addendum.
